## 4. Fees in Advance Discounts

Where a family chooses to pay fees in advance a discount will be offered. This discount is set by the Board and further details are available from the “Fees in Advance” information sheet.

## 5. Hardship Discounts

The School recognizes that, from time to time, parents encounter unforeseen circumstances which may impact on their ability to meet their school fee commitment.

In recognition of this, the Board has set aside a limited budget to assist parents through such difficulties. Any relief that is provided will be for a maximum duration of one year and an application must be made to the School.

Any parents finding themselves in such a situation are invited to contact the Business Manager for a confidential discussion.

## 6. Instalment Payment Scheme

The School makes available a scheme where invoiced tuition fees can be paid by instalments over the course of the year.

For 2023, parents can elect to pay via weekly, fortnightly, monthly or term by term instalments. Instalments can be paid either via direct debit from a bank account, via credit card (a fee may apply) or parents may elect to pay their quarterly fees via Bpay (only for payment by term).

Parents wishing to pay their fees by weekly, fortnightly or monthly instalments are required to complete the school’s Direct Debit Authority form and return it to the Business Manager no later than the 3<sup>rd</sup> of February 2023.

Instalments will commence on Friday, the 10<sup>th</sup> of February and will continue thereafter at the payment frequency nominated by the family.

Parents who choose the fortnightly option may elect to commence their instalments on either the 3<sup>rd</sup> or the 10<sup>th</sup> of February 2023. **The default start date for fortnightly instalments will be the 10<sup>th</sup> of February – it is the responsibility of the parent to request the alternate date of the 3<sup>rd</sup> of February.**

All direct debit payments will occur on a Friday and the school offers 40 weekly instalments, 20 fortnightly instalments or 10 monthly instalments. Tuition fee instalment payments will finish in November.

## **7. Overseas Students**

Parents of overseas students wishing to enrol their children in the school are advised that a different scale of fees apply. These students are ineligible for government funding support; parents of such students are encouraged to discuss the applicable fees with the Principal.

## **8. Notice of Withdrawal**

Parents are reminded that it is a condition of the enrolment contract that one full calendar term's notice, in writing, be given to the Principal of an intention to withdraw a student from the school.

If the required notice is not given, the School will charge a term's fees in lieu of notice. The school does not waive this fee.

## **9. Optional Events**

The School runs a number of optional events such as Green Patch Camp, Snow Trip, Band Tour etc. The Trybooking system is used for payment of such events and parents will be notified of booking and payment details as the events occur.

The School regrets to advise that optional events cannot be charged to the tuition fee account.

## **10. School Building Fund**

The school operates a tax-deductible fund for the purposes of funding the construction of new buildings or improvements to existing buildings. Donations can be made in cash, by electronic funds transfer or by credit card. A tax receipt will be issued at the end of each financial year.
