

Secondary Science Teacher

Role Description:

- Science teacher with the ability to teach to Year 10. Specialty skills in Biology, Chemistry or Physics to HSC would be advantageous.
- Temporary contract, maternity cover, 0.9 FTE. Possibility of permanent full or part-time at end of 10 month contract
- Reports to Head of Science
- Early career teachers are welcome to apply

Specific Responsibilities -

- Teach a range of Science classes from 7-10
- Teach Science from a Christ-centred approach*
- Engage with a range of Science programs for different ability levels
- Participate enthusiastically in the full spiritual and pastoral life of the school
- Keep abreast of current trends, research and developments in education and areas relevant to the teacher's specific task.

* Our school acknowledges that Christians hold a range of views on their scientific interpretation of the first three chapters of Genesis.

Specific Requirements -

The successful applicant will:

- Demonstrate an authentic Christian faith with active engagement in a local church that aligns with the teaching of the school.
- Be understanding and supportive of the Reformed Protestant theological position of the school
- Be passionate in living out their faith in their teaching and relationships
- Have suitable tertiary qualifications from an Australian University (or provide an AEI-NOOSR equivalence) & NESA Accreditation (where required)
- Be thoroughly conversant with the various NSW 7-12 Science syllabi
- Demonstrate a capacity to teach all levels of Science
- Be confident in using digital technology (experience in using Google suite, Edumate and Canvas an advantage)

All teachers at NCS are expected to –

Be what they believe

- Seek to bring every thought, feeling and action captive to the person of Jesus and His story as expressed in the Bible.
- Be committed to living Christ's story in the educational arena

Relate to students, colleagues and community members in a Christ-like manner

- Love and forgive others
- Care for the emotional, physical, social and spiritual well-being of people
- Promote the involvement of parents

Unfold the curriculum in the shadow of the Cross

- Promote a distinctively Gospel-Centred worldview
- Participate in curriculum development and professional development

Inspire students in the light of Jesus' Resurrection & Return

- Contextualise learning by interaction, simulation or engagement appropriate to the level of maturity
- Encourage students to realise that engaging with learning, accepting responsibility, self-fulfilment and service of others are the real rewards of any task

Structure procedures that support our Christian outlook

- Ensure that teaching and organisational procedures are in harmony with our Christian faith, or at least do not hinder it
- Formulate and maintain teaching programs that clearly declare Christ as Saviour and Lord

Enable students to respond as disciples of Christ in an exciting, yet broken world

- Prompt students to move from Christian knowledge, through action to commitment
