Intended Use

This document outlines the school’s procedures for managing complaints and grievances. The document is available to all parents, carers, students and staff via the school’s website and on request in hardcopy form from the School Office as required. It applies to handling complaints made in respect of services provided by the school or against staff members, which includes employees, contractors and volunteers.

This procedure does not extend to personal grievances between parents, guardians or other members of the school community.

Executive Summary

This document sets out the manner in which complaints and grievances procedures will be enacted in the school.

We believe:

1. As we are fallible and sinful people by our human nature, errors, misunderstandings and oversights will occur.
2. As Christians we seek to bring peace and harmony to troubled situations.
3. Humility and self-sacrificial love, as evidenced in Jesus' life and death, must underpin the way in which we seek reconciliation.

therefore we will:

1. Encourage and welcome the written and verbal input and feedback of all NCS community members.
2. Respond with generosity and grace to the complainant as we seek to resolve the complaint or grievance.
3. Act with integrity in all matters.
4. Be willing to admit fault and seek restoration wherever a complaint is found to have legitimacy.

Overview

A complaint or grievance is an expression of dissatisfaction made to the school about an educational and/or operational matter relating to services provided by the school or the behaviour or decisions of a staff member, contractor or volunteer, including misconduct.

If a parent/carer or student has a concern about the conduct of a staff member, they should raise their concern with the school in accordance with the process outlined below. If a complaint that concerns the behaviour of a staff member may constitute reportable conduct, the matter will be addressed in accordance with the school's Child Protection Policy. Please contact the school immediately in relation to the school's Child Protection Policy for information about reportable conduct. Complainants are not required to assess whether their concern meets the threshold of reportable conduct before making a complaint. Any concern about a child's wellbeing may be reported under this policy.

Complaints may be made by a student or parent/carer.

The school will seek to resolve complaints informally where possible but acknowledges that in some cases a person may wish to make a formal complaint.

1. Raising a complaint

1.1 The complainant

Informal complaints may be raised by a complainant directly with the person involved. However, if the complainant does not feel comfortable doing so or the matter is one where it may not be appropriate to do so, a complaint can be made to the Head of Primary or Secondary. More serious concerns may be directed to the Deputy Principal. Any complaint about the conduct of a staff member should be raised directly with the Principal in the first instance.

Should the matter not be resolved through informal processes, the complainant may raise the matter formally with the school. A formal complaint can be made in writing to the Principal via email principal@nepean.nsw.edu.au

Where a person wishes to make a formal complaint concerning the Principal, the complaint should be made in writing to the Board President via email boardpresident@nepean.nsw.edu.au. In this situation, the references in this policy relating to the role of the Principal should be read as references to the Board President.

1.2 The school

The school will generally acknowledge receipt of a formal complaint in writing as soon as practicable.

2. Handling complaints

2.1 *Assessing a formal complaint*

The Principal generally will assess the complaint and determine:

- whether the complaint is one to be addressed under this policy or is a staff grievance or reportable conduct matter which are dealt with by the relevant policies; and
- the priority of the complaint in accordance with the urgency and/or seriousness of the matter raised; and
- whether the school may be required to report the matter to the Ombudsman, Police, Family and Community Services or other relevant authorities should the complaint relate to possible unlawful conduct or other reportable matters.

2.2 *Managing a formal complaint*

The Principal generally will manage a formal complaint by:

- a) advising the complainant of the likely steps that will be undertaken by the School in relation to the complaint;
- b) if appropriate, advising the relevant parties of the complaint at the relevant time and providing them with an opportunity to respond;
- c) collecting any additional information the School considers necessary to assess the complaint;
- d) making a decision about how the complaint will be resolved; and
- e) advising the complainant in writing, and any other relevant parties as appropriate, of the resolution decision of the Principal and if appropriate, any proposed action to be taken.

There may be circumstances where some of the steps outlined above are not appropriate and the school will determine, on a case by case basis the most appropriate method of handling the complaint.

A complainant and the relevant parties that the complaint is about may choose to have an appropriate support person present at any meeting with representatives of the School about the complaint. However, the School maintains the right to determine whether the person's preferred support person is appropriate and may not approve the attendance of a support person where they are determined by the School to be inappropriate.

3. Contact

If you have any queries about this procedure, you should contact the Principal for advice.

4. Confidentiality

All parties involved in complaints handling are required to maintain appropriate confidentiality, including in relation to handling and storing records.

5. Whistleblowing complaints

This procedure does not extend to complaints which are whistleblowing disclosures. The procedure for processing whistleblowing complaints are dealt with in the school's whistleblowing policy.

In summary a whistleblowing disclosure is a disclosure which:

- is made by a board member, staff member, a person who supplies goods or services to the school, including a volunteer, an employer of a supplier or a relative of any of these people;
- involves alleged misconduct, an improper state of affairs or circumstances, or illegal activity, and
- is made to a senior staff member, or officer of the school, the school's auditor or a person who the school has authorised to collect such disclosures.
