

Selecting correct school shoes

Students may wear either plain black school shoes or plain black leather-style joggers. They must fully enclose the foot with a complete leather (leather-style) upper. They must have a firm sole with arch support and be thick enough (10mm) to prevent a thumb tack penetrating. The following are for illustrative purposes only. Parents should select a similar style shoe.

What are plain black school shoes?

What are firm, plain black leather style joggers?

Shoes that are unacceptable

Shoes that don't cover the upper foot

Non-leather uppers

Slip-ons

Mesh inserts (acceptable as a sports shoe only)

Thin soles (less than 10mm) and/or no proper arch support

Logos and multicolours
